# The Rising Arbitrator's Challenge:

Navigating the Promise and Perils of Your First Appointments

Wednesday, 24 March 2021 | 9:00 am NY | 10:00 am BA/SP/MVD | 1:00 pm LDN

This webinar series will tackle the thorny issues that practitioners receiving their first arbitrator appointments will undoubtedly face – wherever they may be based. In a series of regionally focused events, the series explores arbitrator rights and duties that rising arbitrators must be aware of – across jurisdictions – with a view to overcoming these challenges with success.

The fourth webinar of the series covering Latin America aims to generate a discussion around the main issues which a starting arbitrator faces, from their own perspective, from the perspective of more seasoned or established arbitrators, and from perspective of arbitral institutions; and how to overcome them.
