Webinar Series:
The Rising Arbitrator's Challenge

Navigating the Promise and Perils of
Your First Appointment(s)

This webinar series will tackle the thorny issues that practitioners receiving their first arbitrator appointments will undoubtedly face – wherever they may be based. In a series of regionally focused events, the series explores arbitrator rights and duties that rising arbitrators must be aware of – across jurisdictions – with a view to overcoming these challenges with success.

Speakers from around the world will share their experiences, insights, and advice on what to do and what not to do. Each event will be live, with panel discussions followed by Q&A and virtual networking.
